

MASS-2 CHRISTMAS PARTY

- Sunday, December 8, 2019
- 1:00 p.m.
- The Glen Caffè
63 Glenallen Street, Winchendon

Come join us for a our catered dinner and our annual Yankee Gift Swap.

Bring a wrapped gift with a value of no more than \$15 for the gift swap, if you would like to participate.

You get to choose ONE from three of the below options.

Baked Stuff Chicken -- \$24.50

(Includes Garden Salad, Potato, Vegetable, Fresh Bread, and Dessert)

Baked Haddock - \$25.50 per person

(Includes Garden Salad, Potato, Vegetable, Fresh Bread, and Dessert)

Tour of Italy – \$24.50 per person

(Includes Pasta, Chicken Parmesan, Meatball, and Sweet Sausage, Garden Salad, Fresh Bread, and Dessert)

The chapter is covering the costs of the appetizers prior to our meal. A special thank you goes out to Maury Lizotte for his leg work on this year's party planning.

...hope to see you all there!

We will again be accepting donations for *Sherry's House* at our Christmas party.

Please consider purchasing and donating gift cards for **Wal-Mart, Target, K-Mart, Shaw's, Stop & Shop, CVS**, etc. or **Gas Cards, Phone Cards, VISA and American Express**. Visit www.whyme.org for more information about Sherry's House. We will be bringing all of those collected to Sherry's House in Worcester to assist them in their mission for the kids this holiday season. Visit www.whyme.org for more info.

As always, thank you for your generosity — the children and families at the home thank you as well.

We must have a RSVPs and pre-paid dinners by Sunday, November 24 to give to the caterer.

Contact Bob Laford with your choice & meal payment as soon as you can.
Checks made out to RK-Mass 2 can be sent to PO Box 221, Petersham, MA 01366

Loyal to Our Duty

From the desk of the Chapter President

I'd like to thank you all for another successful year of riding and social events. Thank you all for your participation and looking out for each other. This Red Knights organization never ceases to amaze me, every year. Things just keep getting bigger and better, and we as a chapter keep having fun and finding new adventures.

A couple of our members have become official Iron Butt members and have taken a few very long distance trips in a short amount of time. Still think you have what it takes to make a long distance trip or feel you'd like to do it just one more time this season? Let me throw a plug out to Jeff Hamberg and his father Charlie for their recent adventures to our southern states and Jeff starting up Hamberg motorcycle adventures. He will be happy to set you up with all the information you will need to take that long road trip. I'll also throw a shout out to Bob Laford and Rick Oliver for their planning and participating in a few Iron Butt rides. This is what it's all about, riding, short distances, long distances and having the resources at hand to help other members that wish to venture out. These seasoned riders will be happy to help you plan your adventures.

We will soon be planning our 2020 ride schedule and there will be some changes and new destinations as well as some new food places to try. Stay tuned. If there is a place you'd like to go with the group or some place you'd like to see added to the schedule please let us know.

We still have a few rides scheduled and as we approach the end of our riding season. I hope you'll still come out before putting your ride away for the season. If you are done riding and are getting your bike ready to put away, remember to change the oil, check your tires and make sure you have a battery tender handy. Just a little tip that may save you some unwanted aggravation in the spring is to park your bike on some plywood if storing on a cement floor, It seems the cement may cause flat spots and accelerate dry cracks on your tires if parked on concrete

If you need a place to store your bike for the winter contact Rick Oliver and he may have a few openings at his garage. He's fixed it up just for storage.

Looking forward to seeing you at our Breakfast Club meetings coming up, as well as seeing you all at the annual Christmas party.

Stay Safe, look out for each other and have a good season.

Kevin, *President Mass 2 RKMC*

Mass-2 Christmas Party

- Sunday, December 8,
- 1:00 p.m.
- The Glen Caffe
63 Glenallen Street,
Winchendon

Come join us for a catered dinner and our annual Yankee Gift Swap.

As always, thank you for your generosity — the children and families at the home thank you as well.

VERMONT GETS HOT TOO!

It was a HOT Saturday when we headed west towards the Mohawk Trail and up through Zoar (yes, that's a place) into Vermont for our overnight at the Swiss Farm Inn in Pittsfield. We had twenty members on board and made a stop on top of Mount Equinox, then made our way over the Brandon Gap (through 7 miles of dirt road on Route 73) to Route 100. Our final tally for the day was over 200 miles.

We chilled out with some adult beverages on the deck at the Swiss Farm as Roger prepared a great dinner for us with chicken and steak from his grill.

On Sunday morning, we woke up to the smells of bacon (starting around 4:00 am) and then enjoyed one of the best breakfasts you'll ever have!

The last weekend of summer turned out to be a true summer's weekend with sunshine all weekend and temperatures breaking eighty degrees!

Marsha M. put together a great route for our September JAR ride and we were on the road in search of cheese!

2020 International Convention

The registration for the 2020 Convention (in France) [is at this LINK.](#)

We know there are several of our members who are excitedly planning for their trip across the pond — and we cannot wait until the rest of us live vicariously through their photos and stories about their grand adventures!

As most of you know, Rick Oliver worked with Founder Norm B. on a fundraiser to raise money for the memorial house by providing engraved single barrel bottles of Jack Daniels to Red Knight members around the world.

It was a very successful fundraiser and many of us were pleased to have one or more of those bottles added to our collections — or for our tasting.

Rick and Lori were back in Tennessee in early October choosing another single barrel for the New Salem General Store.

This is a very special barrel because it is #7 for the NSGS since 2011. And a very special barrel because it is one of only 80 nationwide that the JD distillery is releasing as "barrel strength!" (About 130 proof).

As special guests of Jack Daniels they had a private tour to pick out their barrel. Rick got to sit in the JD Fire Brigade's antique engine (not many people get to do that), and he left one of our chapter patches in the display case at the Motlow House on the tour.

2020 Yankee Rally

Sponsored by RK NY 50 in Plattsburg

Hotel registration at the Hampton Inn & Suites Plattsburgh NY is now open for Yankee Rally 2020 (HOST HOTEL). They expect this hotel will fill up fast with this group, so are working with hotels very close by to receive an additional group rate!!

Dates are May 28-29-30, 31 Thursday-Sunday.

Call 518-324-1100 and press ZERO and talk directly to the front desk. They have been very accommodating and very professional, this is their first RKMC event.

\$119 Reservations cannot be made online, you must call the front desk to receive the group rate. (Registration form included with this newsletter).

Winter Gathering

- Sunday, January 26
- Glen Caffe at 11:30/Noon

Similar to last year, we will be taking advantage of the Brunch Buffet at the Glen Caffe. Cost for the buffet is \$7.99 per person.

After we are done eating, we'll celebrate our friendships on a cold winter's day with some socializing and by looking ahead at the 2020 riding season with our completed ride calendar for the new year!

This gathering will also serve as our January Breakfast Club get-together.

**P.S. JUST A REMINDER
THAT DUES ARE DUE TO
THE TREASURER BY
DECEMBER 1.**

**THANKS FOR YOUR
COOPERATION.**

Our RK Monthly Breakfasts have returned!

Each third Saturday we will gather at a different Red Knight home for a pot-luck Breakfast.

November 16 is the first one — hosted by Rick and Lori in New Salem and December is hosted by Ed and Peg in Westminster. Join us for some fun and fellowship.

We'll see if we can have some photos of 2019 running on the TV in New Salem as well!

Would you like to host a breakfast? Talk to Kevin to get on the schedule for February, March or April! (Brunch at the Glen Caffe is in lieu of the breakfast club for January).

ANNUAL MEETING — OCTOBER 13, 2019

Our annual business meeting was held at the RKMC Memorial House in Boylston. Our annual election of officers was for the position of President and Secretary. Both positions were unopposed and our incumbents, Kevin Martin and Jeff Hamberg were reelected for another two years.

Those present voted to re-order both chapter challenge coins and chapter patches. We will have more on hand in the near future. If you have not obtained a coin, or need chapter patches, please let our Treasurer know. Our coins are very popular, and of the first order many have been presented to special people in the hearts of our members. These coins are not just for you to hold onto one for yourself, but presenting them to others as a thank you or a remembrance is also appropriate.

We will be reaching out to the Marine Corps League to see if they need assistance with the Toys for Tots collection. Last year our chapter hosted one day at the Orange Walmart. Many of our members participated in collecting toys that day. It was very rewarding and shows us all that there are a lot of good people in the world! By breaking the day into shifts, it was an easy "lift" to help this worthy cause, for those that need an extra hand during the holidays. We will let you know more details when we have them.

Annual Reports were distributed at the October meeting. If you were not able to attend our annual meeting but would like a copy of the reports, contact Treasurer Laford.

Our 2019 Chapter Officers are:

Kevin Martin, President
978-877-6179
rkma2prez@gmail.com

Maury Lizotte,
Vice-president
(978) 609-0267
lizotteme@gmail.com

Jeff Hamberg, Secretary
978-413-1636
jhamberg@rk-mass2.org

Bob Laford, Treasurer
978-724-3270
rflaford@tiac.net

Bob Shakarian,
Road Captain
978-807-0817
Sharkey625@aol.com

Larry Robinson,
Assistant Road Captain
978-724-3321

On the road with our friends...

- A group of our lady Red Knights took advantage of a sunny summer day to head out for a lunch ride together in July.

- A small group of riders were on the road in early August for a lunch ride to Rein's Deli in Vernon, CT. They started out with some rain gear, but stayed dry. The sun came out for a few hours, and I think they made it back to home base before the heavy thunderstorms rolled in!

- Two dozen people showed up at the Hamberg's for our Labor Day Cookout to celebrate summer's events and the few days left before the calendar changes to autumn. Thank you to Jeff and Faith for hosting us. It was a beautiful day that included a lot of food, and even something special left for us from our friends in Switzerland!

- The Smokey Bear breakfast to kick off Fire Prevention week did not disappoint at all, as (1) it was the usual cold ride (in the 30's), (2) we had a big turn out (19), and (3) the Jaffrey Fire Department did another fantastic job on the buffet!

2020 CHAPTER RIDE PLANNING

The chapter officers will be meeting later this fall to put together a ride and event schedule for 2020. Have any ideas? Pass them on!

Lunch with founders Don and Dot Parker (Mass-1) at the convention

Monthly ice cream rides:

There will be more ice cream awaiting us in 2020, but for 2019, our "official" ice cream rides have concluded.

There were 5 of us that turned out for ice cream in July, with a ride to Charlie's Old Tyme Creamery in Peterborough for our ice cream.

August we doubled down and met up twice. The official date on August 29 was cool when the sun went behind the trees at the King Philip, but eight of us still had ice cream!

Our last ice cream ride — on a Saturday afternoon — was to Kimball's in Jaffrey before they closed for the season.

The season is now over. What would you like to see on the calendar next year? Our weeknight ice cream seemed to have low turnouts this year. Would a weekend afternoon be better? Let President Martin know your thoughts.

2020 Dues

We have sent out reminders about your 2020 dues (\$25). Please consider getting your dues to our Treasurer early.

As with any organization there are expenses that we incur and your dues help us cover those costs. A portion of your dues also goes to the International for our charter dues. (We must have all International dues paid by the new year or we incur a \$50 penalty).

Please have your dues in to Treasurer Bob Laford before **December 1, 2019**. Thanks.

Red Knights Mass-2
P.O. Box 221
Petersham, MA 01366

If you would like to pay electronically via PAYPAL, contact Bob

2019 Convention Business...

There were NO contested elections during 2019 at the convention — so the International did not have to send out any ballots. Congratulations to our Regional Rep, Matt Mattera on his re-election and to our new International President Joey Powell.

Since Joey vacated his position as Region-4 Rep, there is a special election for that representative position being run in Region 4.

Memorial site information, (presented by Don Parker). 36 names were added on the Memorial since last Convention. Memorial Fund Donations in the amount of \$14,009.50 were received in the past year.

There are 474 chapters and 10,495 members worldwide.

The following charters have been recalled by the International for inactivity: Alabama 13, Australia 16, Connecticut 4, Florida 10, Florida 13, Germany 17, Maryland 9, Massachusetts 11, Mississippi 5, Missouri 1, New Hampshire 8, New Jersey 7, New Mexico 2, New York 49, Ohio 5, Pennsylvania 36, Virginia 10, Washington 3, Washington 4.

This Spring Bob Binnall of MA-15 designed a Founders Patch to coincide with the Yankee Rally — that was themed to honor our eleven founding members of the RKMC.

Since June these patches have been sold at Red Knight events around North America. At the fall state meeting Bob presented the Memorial Committee funds from those sales in the amount of over \$5,000. Combined with the money given at the convention, the donations from these patches is \$8,760 for the memorial!

Future Conventions:

2021 — New Brunswick | 2022 — Johnstown, PA
2023 — Maryland | 2024 — No applicants, currently

From the great weather in the White Mountains to the BBQ, Fireworks, Cog Rail Road to the top of Mt. Washington, the tour of the Globe Fire Gear factory, and the dedication at the NH State Veterans' Cemetery, the 2019 RKMC Convention was a grand success.

There were over 600 in attendance for the festivities (83 voting chapters), and much was held under a very large tent on the Loon Mountain Resort's property.

The hotel also had a tram to the top of the mountain where a restaurant had a great view while you were eating.

Don't forget to get your year-end mileage into VP Maury Lizotte to be included in the 2019 totals!

Mass Red Knights on the Cape!

The weather was perfect throughout this year's weekend on the Cape in September. Mass-2 had six members in attendance, for a fun time with the 4 Mass chapters and 1 Conn chapter represented at the Town Crier.

Mass-8 President Brian LaRochelle and his wife Laura were great hosts with making the lodging plans, accompanying us to the Elks Club fish fry, and leading us around the outer Cape, complete with a U-turn.

It is always a fun time, and the friends and weather made it even better! Come join us in 2020.

Did you happen to read about Charlie and Jeff Hamberg's trip down south this fall. They made a stop at the Barber Motorcycle Museum in Alabama. Billed as the largest motorcycle museum in the world (and a private collection), it has six floors (or more?) of pristine motorcycles on display. I bet it has both the bike you first rode and your dream bike as well.

THERE IS STILL TIME TO RIDE!

Riding season is still not done. Plenty of time to get out and enjoy some autumn riding.

Sunday, October 27: **Final J.A.R. Ride**. Meet at Westminster Dunkin Donuts at 1:00 p.m.

Sunday, November 3: **Polar Bear Ride**. Meet at DD at 11:00 a.m.

Mass-4 and Worcester HOGs are co-hosting a **Tim Jackson Memorial Ride on October 20**. Starts at Sheldon's at 10:00 am and ends at the Memorial House. Lunch is included. Proceeds will go to a local charity for Veteran Support Services.

Forty members and friends met up at the Oliver's to welcome of RKM family from Switzerland and Belgium prior to the convention in New Hampshire.

It was a great summer's afternoon with a lot of food and friendship. Thank you to Rick and Lori for being our hosts and for everyone that helped make it a special day.

Bob and Diona Laford had the opportunity to have dinner with members of Ontario -7 while they were at the "Spyder-Odyssey" in Kingston, Ontario.

How many do you recognize from our years attending their "Winter Frolic" parties in Belleville?

Brother's (and Sister's) Keeper

We ride together often in groups, whether three Red Knights or 15 (or more Red Knights). We all must remember that when you enter into a ride with more than you as a solo rider, the dynamics change. Yes, you are responsible for "your own ride," but also you have to take some responsibility for the group. As a solo rider, you may wander around your lane, gawk at the sites, and alter your speed faster or slower at your will. Those same three riding attributes cause chaos and stress in a group ride and we need to try to maintain consistency as we ride. Focus on the task at hand and the riders around you, keep up, and maintain lane position.

For those of you that have never been the leader of a group ride, there is an increased stress level for the lead rider – and sometimes that stress takes away from the enjoyment of the ride for that person or couple leading the group. The route, the stops, the fellow riders' skill level, what bikes need gas when, whose keeping up and whose not, what kind of communication is there. Sometimes the group is in sync with each other and other times it is a difficult responsibility for the leader to coordinate.

Diona and I were at a Can Am Spyder rally in Canada during the summer. In the group rides we participated in during the rally, we realized that we were the only riders with a CB Radio onboard. Maybe it is not a common commodity on bikes outside of our area! So how do you manage a group ride without electronic communication, we wondered.

Riders' meetings started off, and held the many things we talk of in ours. Staggered formation with 2 or 3 second following distance – show up with a full tank and an empty bladder. None of us riders were from the area, so telling us we were headed to Rideau Ferry did not mean anything to us, but we were told, "we'll ride 100 kilometers or so before our first stop, about an hour and a half." That is similar to what we aim at too, 80 mile and 90 minutes. That way you can think about your rest room stops and gasoline. Similar to us they also surveyed the bikes because there is a variation of miles to a tank of gas on the variety of Spyders.

What was different that our normal operations is that we were told, "You are responsible for the rider behind you." What that meant is that if the groups got divided or spread out, keep an eye open for the rider behind you. If the group takes a turn and you do not see that person, wait at the corner until he or she can see you turn. What that did not mean is if the person behind you keeps falling further and further behind that you fall further and further behind. Everyone should attempt, to their riding abilities, to keep up with the group.

So our leaders had a reduced stress level of not trying to keep the group in formation all the time, because they knew by this directive, that no one would get lost. Yes, there were times that the leader would collect the group. After passing through a town where traffic lights and traffic separated us, then he would pull off and let the others catch up. But most of the time, knowing we were ALL keeping tabs on the person behind us, we did not have to continually slow down, and slow down traffic with us as we let people catch up.

So the next time you are in a group ride, think about the leader's mental health, and help out by doing your part to be a focused part of the group ride, and remember to be your brother or sister rider's keeper behind you.

Membership News Briefs...

Congratulations to Secretary Hamberg on making his goal of Iron Butt Gold by doing 1,530 miles from Orange to Key West in under 24 hours during the dog days of summer — then resting a bit and adding another 500 in under 36 hours for a "Saddle Sore 2000!"

Congratulations to Fred and Lisa Leblanc on the birth of their granddaughter Zoe!

Best wishes to Rick and Lori on the miles ahead on their new Goldwing, to Charlie Clarkson on his new Can Am Spyder, and to Marcia and Maury on adding a Florida steed to their southern garage!

Kudos to Chris and Ellen Conrad on a successful Jimmy Fund walk and Congratulations to the Dupell's on moving into their new condo.

And finally a big tip-of-the-hat to Charlie Hamberg on being named Volunteer of the Year with the Cooperative Credit Union Association's 2019 Awards of Excellence.

2020 Motorcycle Shows are starting to post their dates and locations... to keep us busy in the colder months!

The biggie is the International Motorcycle Show in New York City is the weekend of December 6-8, 2019 at the Javits Center.

Springfield—January 18-19, 2020 at the Big E in West Springfield

No dates yet for the 2019 NE Motorcycle Show have been posted, but last year's weekend was Feb. 23-24 at the Royal Plaza in Marlborough

Visit www.kevmarv.com for more information and to watch for their show announcements.

NEW ENGLAND RIDE FOR KIDS THANK YOU!

In 2000, a man by the name of Ralph took his 3 month old son, Ryen, to the New England Ride for Kids. Ralph stood on the stage, with tears rolling down his cheeks, and said, "This is my son, Ryen. He was born with a brain tumor". His prognosis was poor. Ralph and Ryen have attended every New England Ride for Kids since 2000. In spite of more than 45 surgeries, Ryen graduated from high school last year on time, with his class. Ryen celebrated his 19th birthday earlier this year. This photo is of Ryen and me at the 2019 New England Ride for Kids, which took place this past Sunday. Ryen is only one of thousands of kids who have been given a second chance at life, thanks in large part to the support of tens of thousands of motorcyclists through the Ride for Kids program.

More than 300 motorcyclists attended the 22nd annual New England Ride for Kids this past Sunday, and raised more than \$73,000 to benefit the Pediatric Brain Tumor Foundation in their mission to discover the cause and cure of pediatric brain tumors. We are incredibly grateful to all of you for your love, compassion and your support.

For over 20 years the Ride for Kids has been raising funds for the Pediatric Brain Tumor Foundation. For many of those years our chapter was very active in the ride. For those with fond memories, I thought you'd like to read about this year's ride from our friend Dave ODess.

Did you know that Louisiana's Lake Pontchartrain is the longest continuous bridge passing over water?

It's nearly 24 miles long and for eight of those miles you cannot even see land!

The winner in our 50/50's throughout the year are more than just the person that pockets half the pot collected on that day. Each year we take the proceeds from the year's funds and make a donation to an area charity.

For 2019 we decided to forward a donation of \$350 to the Worcester County Food Bank. They help support food distribution points throughout our area.

(Excerpts from Eric Trow's "Staying Safe" column in the September 2019 Rider magazine)

Do you have a **NON-Drinking** problem?

[Are you one of the many riders] who have a serious Non-drinking problem? Here are some indicators of dehydration and a handful of steps you can take to break your non-drinking habit.

- If you ride for long periods without urgency to stop at a rest area to relieve yourself, you may be dehydrated.
- If your urine is dark yellow, that is a warning sign as well.
- If you drink a lot of coffee [or caffeinated drinks] while riding you may also be flushing out vital water reserves.
- If your skin, mouth, lips and eyes are dry, you may be low on H2O.

Begin to drink water in the hours before you hit the road. Don't think you can just down a large bottle of water minutes before hopping on the bike. It doesn't work that way. Drink smaller amounts more often so your body can absorb instead of pass the vital fluid. Pack bottles of water and make a point to refill yourself each time you refill your gas tank or stop to stretch. Keep the drinking [water] habit going after the sidestand is down for the day, to continue to replenish your body. [By keeping hydrated], you can ride for hours and still feel fresh at the end of the day.

One tip that Eric mentioned was use of a Camelbak water bladder. That reminded me of a funny story from when Ed and Steven did their Four Corners Tour in 2000. They had Camelbaks tucked into the coolers on the trailer with the mouth tubes running up so they could access them when riding. The cold water tasted good on that first hot day of riding. But do you know how hot drinking water can get sitting in that tube in the direct sunlight? It only took one instance of a hot water drink to realize to "blow back" the tube so it is empty and the water returns to the cooler!

6th Annual Yankee Rally

Hosted by New York Chapter 50

May 28-31 2020

****Please print this form and mail in with a personal check or money order****

Please mail registration form and payment to:

RKMC Katie Jock PO Box 156 Dannemora NY 12929

Make checks payable to: RKMC NY 50
