CITATION PRESENTED

Massachusetts Chapter 2 of the Red Knights Motorcycle Club was recently recognized by the Pediatric Brain Tumor Foundation with a citation for their fundraising efforts for the 2009 New England Ride for Kids. Massachusetts Task Force Leader of the Ride for Kids, David O'Dess, was on hand at the Red Knights' winter meeting to present the citation. O'Dess stated that the chapter was one of the top five fundraising rider groups for the 2009 ride and said the ride brought in over \$44,000 that will be used for pediatric brain tumor research. Members of the Red Knights look on as chapter president Bob Laford accepts the citation from O'Dess. One of the local business supporters of the club's fundraising activities, the New Salem General Store, will display the citation for the club.
